Emmaus Covenant: Change "Letter of Agreement" to "Walk to Emmaus 2011 Covenant"
"Another change will be in Item #3. Our new mission and vision statements challenge us to be truthful to what we teach and therefore we expect all current Community Board of Directors members and all Weekend Conference Room members to be active participants in a Group Reunion or accountability group. This is a fundamental witness to the commitment each person makes at the Consecration Service at the end of the weekend. We as Board members and Team

members must be practicing what we are asking the Pilgrims and Butterflies to do.”

Reunion Group Committee is working on this. Marvin Mode needs names of groups and info on Reunion Groups. Louise Hudson is to share about her Reunion Group at Community. Kenna Borum suggested passing around a paper for people to list names of their group. Natalie Lowe also shared info about her group and what they do.

Thursday Night Video: the New Video does not mention communion. It's up to date, though, about the weekend and where you are at the beginning versus the end of your Walk weekend. Examination of Conscience. Discussion was had on whether or not to play this during Community, but the consensus was not to show it. Jeff Roller suggested emailing it to Board members instead.

Walk To Emmaus print: Jeff Beasley showed us a painting he had framed. He read to us about the author, Betty Shoopman, and the story of how it all came about for her. The name of the painting is "The Walk To Emmaus". Lila suggested putting it on an easel in the Prayer Room of every Walk from here on. Roger will take it to get Jess to make a padded box for it for protection.

January 27th Community: To be held at Trinity. Use the same room to have dinner in as Worship. they don't have the ability to provide drinks. Natalie says God of Wonders Church will host anytime we need. So, we may need to change from Trinity.

[Ran out of time, so meeting was adjourned.]

Jim Wilhite closed with prayer.
